

On 5/1/24 Rafael Cordero, Social Worker did every thing in his power to hinder me from doing an assignment I was told I had present in group to progress in Treatment. I was ready to present the assignment for approx. 8 weeks.

Then on 5/3/24 I sent the 405 Tx Team 3 request. They said in part:

1.) "I write today to request my job back. Thank you for your time and patience with this all and I await your reply."

2.) "I write today to request to be put back in Cognitions and to send the attached (my assignment that I was not able to present in my Reflections group to date). Thank you for your time and patience with this all and I await your reply in person and in writing."

3.) "I write to request to move to Bldg. 41 or be told what I need to do to be able to go. Thank you for your time and patience with this all and I await your reply in person and in writing."

Then through out the week I put together the following two letters that can be used by anyone in any state to write both State and Federal Elected officials about the Civil Commitment of Sex offenders. I don't have a list of Elected officials. So each person who wants to write will have to find the addresses for those they want to write.

* The letters are marked with a "1" and a "2" on top and can be altered (see bottom of last page of each letter). Don't write anything after signature of each letter.*

* Anyone and everyone that can and is willing to should write as many elected officials to help bring attention to Civil Commitment of Sex offenders.*

Well that's all for this week. Ya, I know that there is not a lot this week. Next week I should have more to write due to my ISP happening and I should get replies to my 3 requests from 5/3/24. Let me go for now so I can get this to you. Stay safe, healthy and write back soon.

Love
John
