This was taken @ Stanley Correctional Institution
on 2 August 2024. Figured I'd blow a kiss to
the ladies... with love. 😊

This, too, was taken @ S.C.I. on 2 Aug.

I wanted the photographer to get my toes in the shot. # PrisonToes

The photographer was distracted, didn't get my feet entirely in the shot. There's no training for these guys. Their buddies get them the job.

Anyhoo, I'm trying to chill at the beach.

The third photo I had taken at S.C.I.

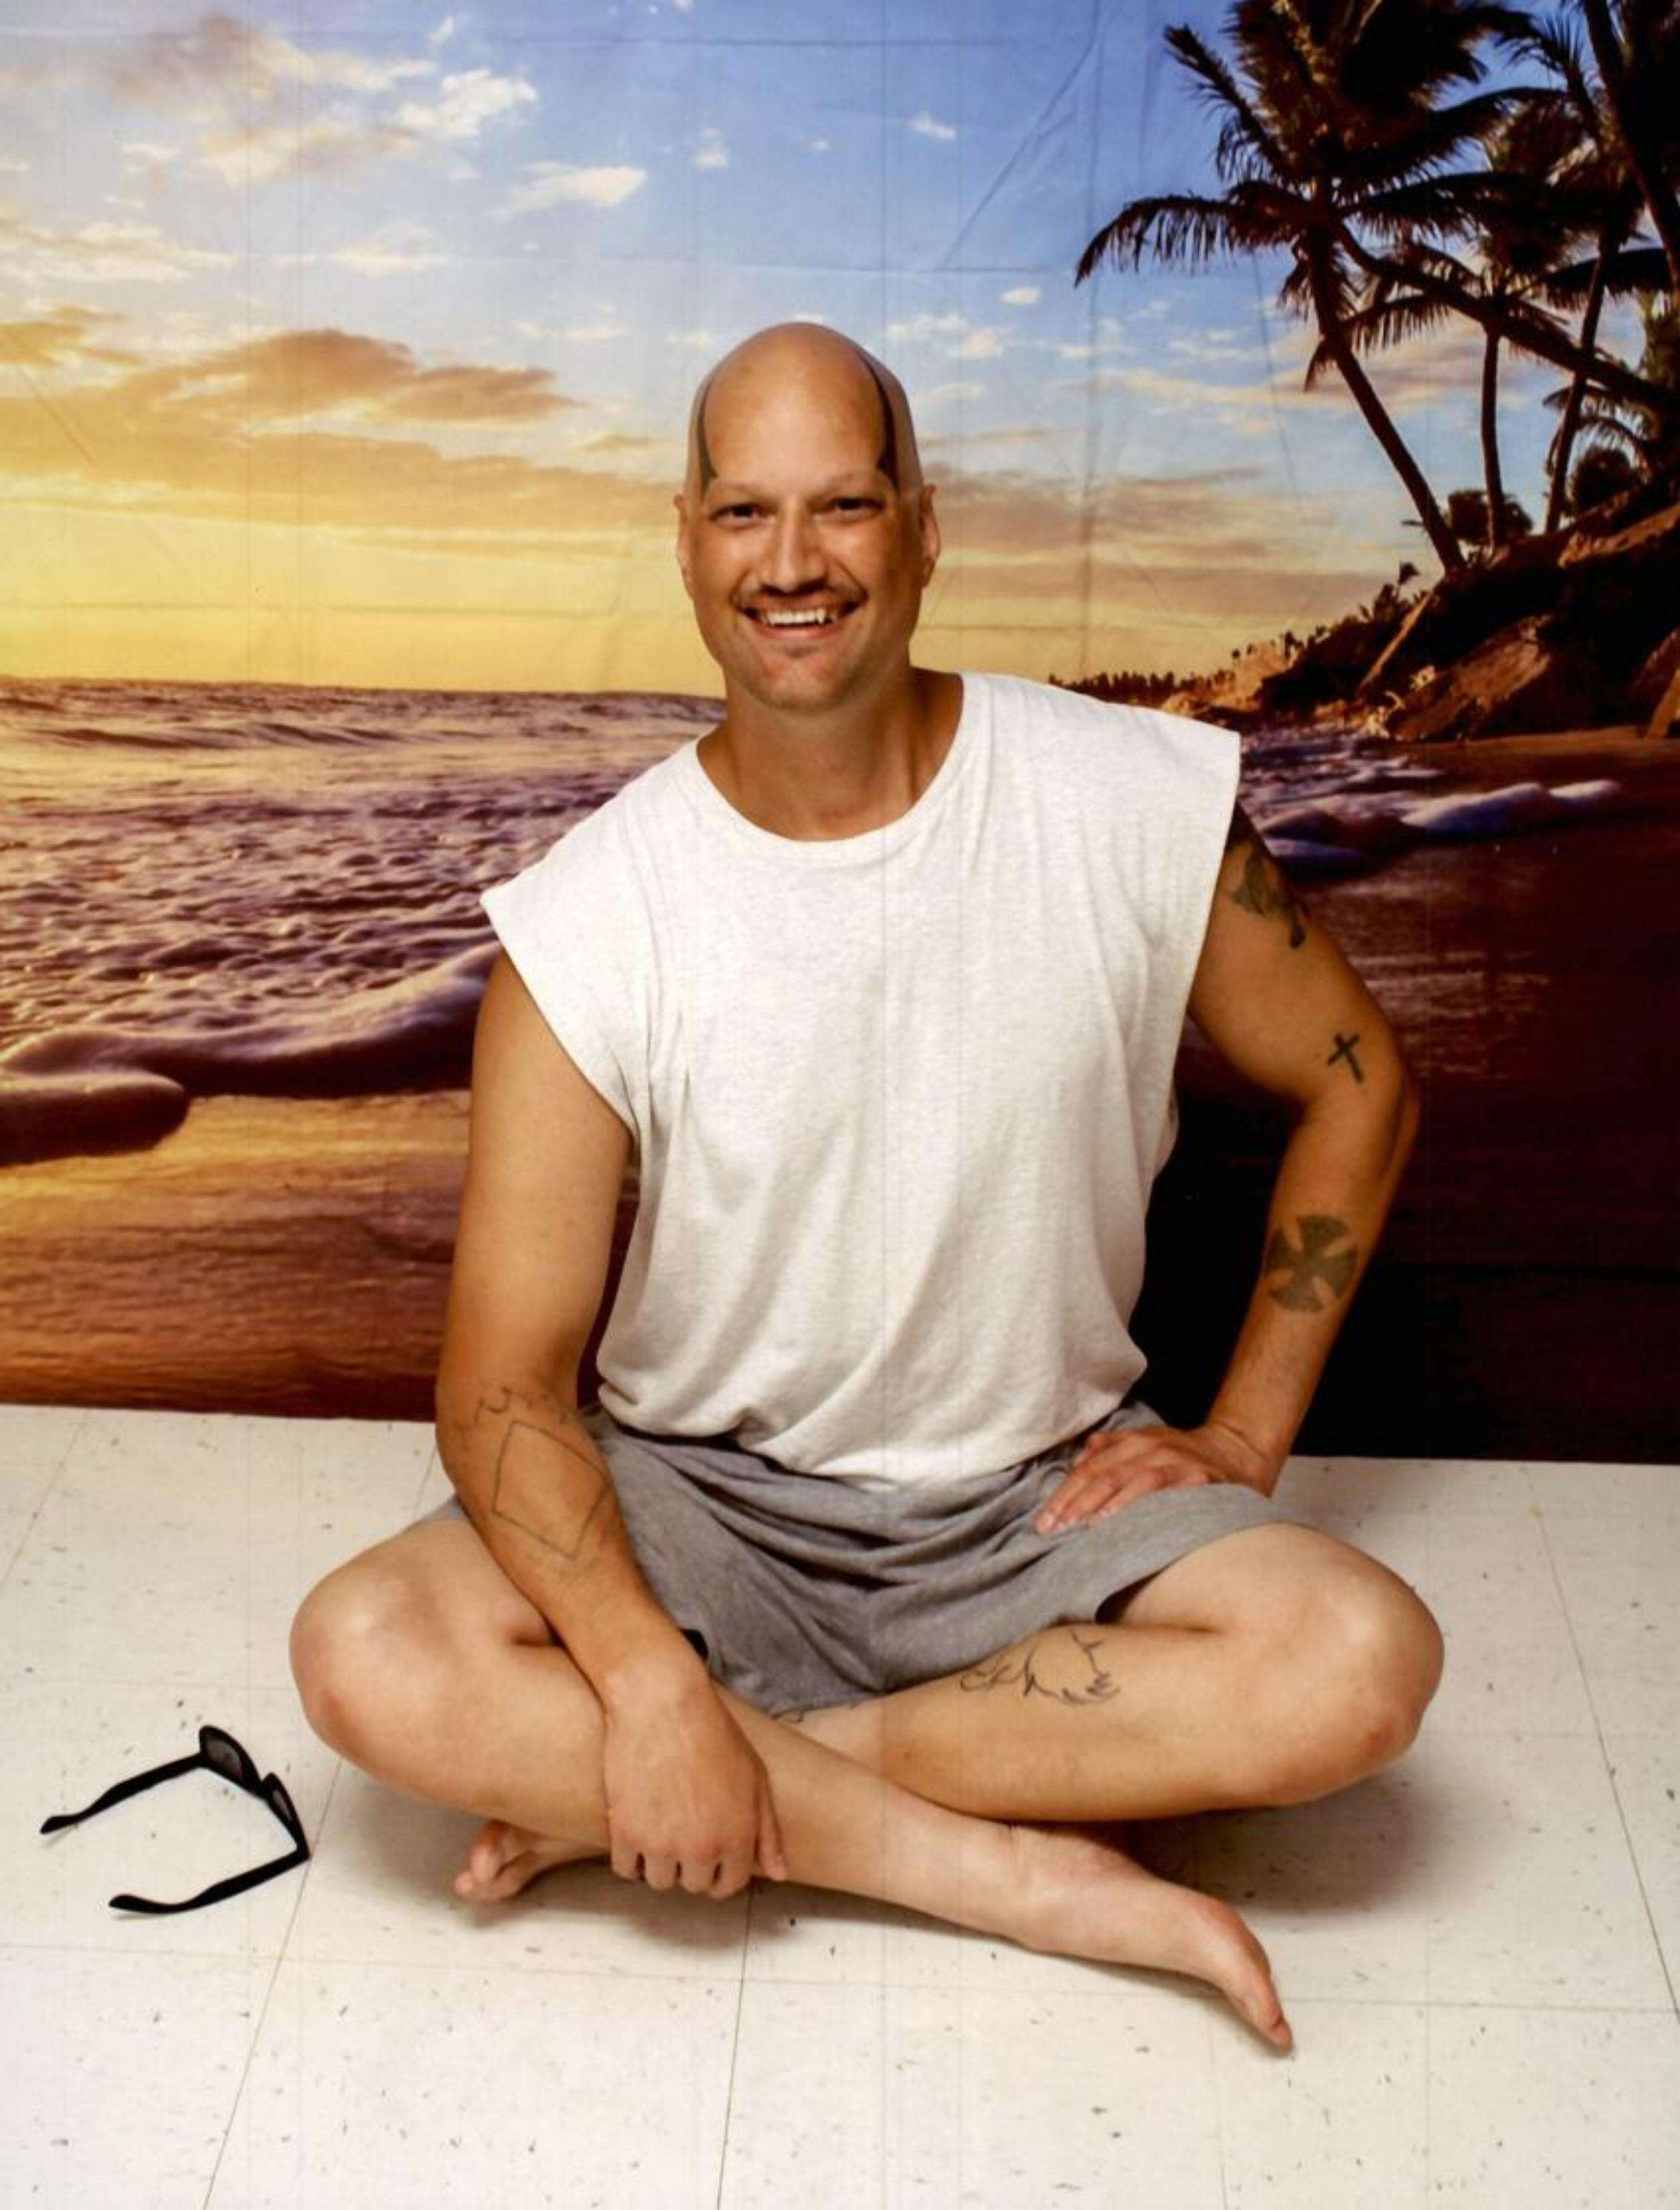

Here I was trying to stare off, thinking, at the beach, something many of us have done... I've done it many times in La Crosse, which has three rivers saturating it, plenty of beaches.

This, too, taken at S.C.I. on 2 Aug. 2004.

See I'm laying in the water & the tip of one foot is chopped off, otherwise it's okay. ...

This is probably my best photo, also taken at
S.C.I. on 2 Aug. 2024
Maybe the sunglasses could be better positioned.
