

## Ripe: Unforgotten

Owning up to own what!, when missin' longgg—  
Unforgotten!, as Love's Beautiful are!  
To linger here now — aware & soul-strong;  
a comfort she is loved!, & Love as are  
Swimming in my head!; a liquor of high grade  
Warding off all that would harm our liquor—  
Plenty kisses to! "Neva See You Fade—"  
She began to unbutton her shirt's season  
Of ripe sunning unrestrained a poem  
Spoken to the point passed Mum — I obey!  
She lives!, Beautiful's best; a kiss solemn,  
I've spent days turn nights, come mornings splay—  
and!, at the moment — (an image of Love  
Faithful's lace bikini panties remove — w.m.
