To New York w/ Love

To New York w/ love!, from Missouri kind;
In care!, I hope this finds you in comfort —
As ease and pleasant as Love unwinds
Less-marred!, more remarkable sweet than lost
Enlaid w/ best concern for you — Love gives
A gift cavalier!, to kiss becoming
A language Poetry entrinds, forgive —
It is soul-natural for thy to be / come!,
Uncamouflaged any deceit — I will!
Triumph as God lets be!, apt his blessings
Bestowed — I pray!, bestows upon you still —
+ "As much as I have eyes for Love!, confess
As taught to me by the Immortal's teach,
A word!, dear enraptured to how you preach —
