

The Election of 2024 part 1 Karmala Harris

I am sad at the mindset of the American people. African American men view of Karmala Harris has been very disturbing, but no surprise to me. Why I say it's not surprising, many African American men was raise up to cling to the predominant theory: where men is the head of the house and women is made to be that house wife. Where she cooks and clean the house. While projecting in the church men is only to preach. On the flipside some women believe that surrounding men are suppose to be the predominate one. Recently a woman said to me, I don't believe in female preachers. I said I do.

* God can use Women like Karmala Harris
Example from the Holy Bible: Deborah: A leader of Israel
Family Status: She was the wife of Lapidoth (Judges 4:4)
She was called "a mother in Israel" (Judge 5:7) through children are not named

Leadership Training: She judged Israel during the oppression by Jabin (Judges 4:3, 4)

God's call: She was a prophetess when God chose her to judge Israel (Judge 4:4)

God's promises: God promised to deliver Israel from Sisera (Judge 4:7)

God's instruction: The Lord commanded her to send the troops to destroy Sisera (Judges 4:6, 7)

The people's Affirmation: Barak and the people followed the leadership of Deborah (Judges 4:8)

Deborah's leadership: She inspired Barak to pursue God's plan, leading him into battle (Judge 4:9)

observations of Deborah

She listened to God (Judge 4:5)

She had a servant's heart (Judge 4:9)

Observations of Deborah

She delegated tasks (Judge 4:6, 7)

She offered praise (Judge 5:2)

She led with authority from God (Judges 4:4)

She motivated the people (Judge 4:9, 14)

She was a respected leader (Judge 5:4:8)

Now let's deal with this distorted Truth that men are more superior than a woman.

God made both man and woman in His image. Neither man nor woman is made more in the image of God than the other. From the beginning the Bible places both man and woman at the pinnacle of God's creation. Neither sex is exalted, and neither is depreciated. Genesis 1:27. God forms and equips men and women for various tasks, but all these tasks lead to the same goal—honoring God. Man gives life to woman; woman gives life to the world. Each role carries exclusive privileges; there is no room for thinking that one sex is superior to the other. Genesis 2:21-23. How did Deborah command such respect the same as ~~Kam~~ Karmala Tharri. Deborah was responsible for leading the people into battle, but more than that, she influenced them to live for God after the battle was over. Her personality drew people together and commanded the respect of even Barak, a military general. She was also a prophetess, whose main role was to encourage the people to obey God. Those who lead must not forget about the spiritual condition of those being led. A true leader is concerned for persons, not just success. Judges 4:9.

A woman's wise words saved a city

Joab's men were attacking the city, and it looked as if it would be destroyed. Though ~~the~~ women in

that society were usually quiet in public, this woman spoke out. She stopped Job's attacks, not with weapons, but with wise words and a plan of action. Often the courage to speak a few sensible words can prevent great disaster (2 Samuel 20:16).

What did Jesus have thought about women?

Jesus lifted women up from degradation and servitude to the joy of fellowship and service. In Jewish culture, women were not supposed to learn from rabbis. By allowing these women to travel with him, Jesus was showing that all people are equal under God. These women supported Jesus' ministry with their own money. They owed a great debt to him because he had driven demons out of some and had healed others. (Luke 8:2,3)
