Dear Michael Manjeet Singh!

I am proud and honored that you have completed the Introduction to Buddhism Course. Thank you so much for your responses! Wow you put so much into it! Thanks too for the compliments. I'm glad you liked the chart! I also LOVED the 'compassion' synchronicity! May it continue.

Here is your certificate of completion. I'm sending you part 1 of our 2nd workbook in a separate envelope.

Your integration question answers have been sent to one of our amazing volunteers, so you can expect a response from them sometime soon.

Once again, I am ever so grateful that you took the course. Please know that we continue to hold you and our greater sangha in our prayers.

May your spiritual life flourish!

Susan and the BPM volunteers

\*we only offer our two workbooks, cannot send any other materials... sorry!
