

America is losing Its Identity Through Ignorance The Election of 2024 Part 2

There are many questions needed to be asked. Since I am a Christian. The place I am going is to body of Christ. The same way Jesus did in the bible 1 Peter 4:12-19 Beloved, do not think it strange concerning the fiery trial which is to try you, as through some strange thing happened to you; but rejoice to the extent that you partake of Christ's sufferings, that when his glory is revealed, you may also be glad with exceeding joy.

If you are reproached for the name of Christ, blessed are you, for the Spirit of glory and of God rest upon you. On their part He is blasphemed, but on your part He is glorified. **But let none of you suffer as a murderer, a thief, an evildoer or as a busybody in other people's matter.** Yet if anyone suffers as a Christian, let him not be ashamed, but let him glorify God in this matter.

For the time has come for judgment to begin at the house of God; and if it begins with us first, what will be the end of those who do not obey the gospel of God? Now "if the righteous one is scarcely saved where will the ungodly and the sinner appear?"

Therefore let those who suffer according to the will of God commit their souls to him in doing good, as to a faithful Creator.

I have a question: How many prayed before they voted? How many fasted before they voted? "Christians"

Why did I ask you that question? Because all of us make hundreds of choices everyday. Most choices have no right or wrong attached to them - like what you wear or what you eat. But we always face decisions that carry a little more weight. We don't want to do wrong and we don't want to cause others to do wrong, so how can we make such decisions? Especially making choices on sensitive issues:

Was any of these involved in your decision to vote for the whomever?

1. Does it help my witness for Christ?

1 Corinthians 9:19-22

2. Am I motivated by a desire to help others know Christ? 1 Corinthians 9:23-10:33

3. Does it help me do my best?

1 Corinthians 9:25

4. Is it against a specific command in Scripture and would this cause me to sin? 1 Corinthians 10:12

5. Is it the best and most beneficial course of action? 1 Corinthians 10:23, 33

6. Am I thinking only of myself, or do I truly care about the other person?

1 Corinthians 10:24

7. Am I acting lovingly or selfishly?

1 Corinthians 10:28-31

8. Does it glorify God? 1 Corinthians 10:31

9. Will it cause someone else to sin?

1 Corinthians 10:32

Some christian may imply I heard from God on casting my vote in the Election. That is why I chose who I felt in my spirit that was right for the jobs. How do you know it was the voice of God not the voice of deceiving Spirit? Because we are living in a era of Heresy-false teachers and deceiving Spirits operating at its full capacity. However, I feel there was a strong deceptive spirit operating in this election. That came through a occult.

Did you really pump yourself up that Donald J. Trump made a easy path to be his opponent Kamla Harris. As a matter of fact, he fear that he wouldn't get certain States that was battle ground. People lets be realistic its impossible to do what happen in the race on ~~I~~ Trump behalf. Electoral voted 301 and He clerichu The popular votes. Majority of America is a Republican State. On the other hand, the senate and House is majority of ~~Rep~~ Republicans. This is not spiritual real.

Truly a witch is behind this. In the past everytime something didn't go Trump J. Donald way his exact words "Witch Hunt." He was inviting the occult into his world. Somebody needs to come clean spiritually. I feel the occult put Donald J. Trump in the white house. Did Santa Marta do this? Many Latino and Hispanic practice Santa Marta. The occult has taken over majority of America. Many people, may say Donald J. Trump earn the president position because I voted for

him. You probably did, but whose to say you
wasn't bewitched into your vote. Occults has
been around centuries. Let's view the scriptures
Genesis 41:8 Magicians and wise men were
common in the palaces of ancient rulers. Their
job description included studying sacred arts
and sciences, reading the stars, interpreting
dreams, predicting the future and performing
magic. These men had power (see Exodus 7:11,
12) but their power was Satanic. They were
unable to interpret Pharaoh's dream, but God
had reveal it to Joseph in prison.

Exodus 7:8-12 The Lord said to Moses and
Aaron when Pharaoh says to you, 'Perform
a miracle then say to Aaron, 'Take your staff
and throw it down before Pharaoh, and it
will become a snake.' So Moses and Aaron
went to ~~Pharaoh~~ Pharaoh and did just as the
Lord command. Aaron threw his staff down
in front of Pharaoh and his officials, and
it ~~became~~ became a snake. Pharaoh then
summoned wise men and sorcerers and the
Egyptian magicians also did the same thing
by their secrets arts.

Each one threw down his staff and it
became a snake. But Aaron's staff
swallowed up their staffs. yet Pharaoh's
heart became hard and he would not
listen to them, just as the Lord had said.
How were these sorcerers and magicians able
to duplicate Moses miracles? Some of their
feats involved trickery or illusion and some
may have used satanic power since
worshipping gods of the underworld was
part of their religion.

Ironically, whenever the sorcers duplicated one of mooses, plagues, it only made matters worse. If the magicians had been as powerful as God, they would have reversed the plagues, not added to them. So the occult put Donald J. Trump in the White House but can't solve the American people problems. This is a very sad situation for the American people.

~~Sincerely~~
