

**DAILY PROGRAM STATUS REPORT, PART A -
PLAN OF OPERATION / STAFF & INMATE NOTIFICATION**

CDCR 3022-A (Rev. 09/21)

**DAILY PROGRAM STATUS REPORT, PART A -
PLAN OF OPERATION / STAFF & INMATE NOTIFICATION**

*Describe only this reporting period's specific Plan of Operation

*Upon completion, distribute to ensure all staff and inmate awareness

Inmates on modified program more than 14 days must be offered a minimum of 10 hours per week of access to recreational areas outside their rooms, cells, or dorms, etc., unless safety and security consideration preclude such activity. The general expectation is that recreation will be held outdoors; however, based on operational necessity and institutional security, out of cell or dorm recreation may be supplemented or otherwise augmented with indoor recreation (including, but not limited to: dayrooms, gymnasiums, and areas determined suitable by the institution, based on operational layout).
