• Hello Giggles 209.

Thank you for the Post, But i'm not really sure,
Its obvious i think that i don't know who your
daughter is,

But yeah I am curious now that you mention it,
Because you make it sound like i may know who
you are, or that i should know who you are.

So tell me.

I'm trying to remember who recently told me about
a girl named Giggles.

but i got so much on my mind, i can't figure it out.
but thanks for the shout out.

you reminded me that i need to send up a Post.

Respect

New Address.
