Yes - my Home boy made Pope and we have things in common - I was born on the South side and grew up in the far South suburbs - I was reborn around the same time Pope Leo was born - I knew my life at that time was preordained ... Oh - well - to bad I am not a devoted Catholic - even though I was baptized and confirmed - my studies lead me in another direction - I have walked among the worse of the worse and been numbered a leader - what a crazy world this is and I give praise to only being a sojourner of, for heaven is my kingdom .. Not like Pope Leo - I do not claim that God loves everyone - in my studies I learned through the wisdom of His Grace - God gave Jesus preeminence over the world - since God would have to destroy the world that murdered His Son by nailing Him the cross ... And that is the .New Testament (contract) that few will understand as the world leads its numbers astray through denial, of guilt in the shedding of Jesus' blood upon the cross - thus - Jesus telling the many to depart from Him - He never knew them ... They do not know the Spirit of Truth !!! For they been indoctrinated by the god of this world Satan (the anti - Christ) to deny guilt in the shedding of Jesus' blood upon the cross ... Okay - that's my sermon of today - Funny it centers around the Pope of the Catholic Church, of over a billion followers and me a lowly man on death row ...
