

In The Interest Of —

—but!, we're both to blame
for the bombing of the building inheriting charred
beyond recognition of bearing a profit
prophensizing proficient as Revelation's
throwing a burning party... "power to the people!"
Right on. The roof is on fire, free of charge charged
a BURNING—"Burn, Baby!—burn"
in balm "both" the Capitalist, and the Revolutionary
guilty as charged fires a pilot's free burn
up in the interest of positive progress
not for personal profit. In the interest of the people—
obtain power-making positions; maintain and stay
a positive/productive course in order to
accelerate nonflammable light on gaining interest
illuminates the dark and highlights beings
no bombings, offers balm to
we!, the people organizing to build
more/the greater, never/theless
in the interest of you, more than self
beyond recognition of BURNING profits, let's
invest soundly surround sounds, blessed—Wm.
