Hello Alberto (Italy)

Did you spread my letter all through Italy so I can get the help I need. I have always wanted to visit Italy. This is my dream vacation. So maybe one day we can meet. I am a motivational speaker and advocate for human rights maybe I can come over there speak to Nation. I have many talents you never know what talent I might use when I come.

Thank you for getting me acquainted with Italy before come. First I got to come out of this place of oppression. How was your 4th of July this year. What did you do for the Holiday? How do your country celebrate the 4th of July in Italy? Get me acquainted with how you all celebrate holidays over there. Enlighten me, my dear friend I send a shot out to all of Italy Take care over there, yo!

Take Care
