

Treasure Chess

Enfoxed!, to hunt Nature's trails, and go —
an autumn cooling romance moves its pawn
an art of seduction of which we're fond
as much as I have eyes for Love — Hence!, to
to fro' Missouri Conservations' glow
To cross Meramec River with fawns
Enrook a route of chess-Poetry bonds
The reds; the yellows; the orange; the green soo

Prolific and ethereal as hawks glide
Gentle and in kettles above beauty
Being Beautiful! — Poetry speaks
The chirps of songbirds' early morning bide
Callin' me to camp; Rest; And rest duty —
No burden to sight see; capture to - peak 10/31/23
