

Evidence of Racketeering

Yesterday, (January 5, 2026), I received a legal letter from the newly appointed attorney, I met with in October 2025, only because she inadvertently made my Blog a part of the appellate record when she mentioned it in her letter of introduction ! I am astonished by the fact she did not give the significance of her actions due attention, as it is apparent, she feels she will not be charged as a Racketeer, wantonly continuing to oppress and suppress the evidence of my not receiving a fair and impartial trial ...

Upon our meeting in October 2025, I gave this attorney clear and precise evidence of how I was falsely convicted due to the overwhelming nondisclosure of exculpatory evidence that allowed the prosecution's case against me to go uncontested - except for my shouting in the open courtroom that I was being " Railroaded " !

I also referred this attorney to a recent Pennsylvania, case in which a man was vindicated after 43 years due to the discovery of nondisclosure of evidence and asking her to use that case to reopen mine ! Now she will have to answer why she has failed to provide me the representation requested of her...
