

## That Which Is Art

Lodge her safely!, therein which dears to me—  
**AH!**, thou art — more than world-jewels could  
Deem rich — as brief as Life do bid me  
Therein which is Art, and Art to me would  
Articulate Man amongst Men his worth  
In the eyes of Being, more the greater,  
never the less — **AH!**, by Love there is Truth  
Meant to be protected in the matter  
Worthing thee: "One of Great Riches" no doubt  
Even if dirt-pour — a King til Kingdom  
Comes, tempered as Love shalt give great clout  
Greater than any Poem could fathom  
And!, this is Love lovin' outright; forthfold  
For better — or — for worse harboring loads — Wm.  
IRVING

## That Chic: Love (Sonnet)

She is like!, ultra exclusive that chic  
More the greater of the time as to-date  
As faithful as nonwaiving ensyncs  
Loyal as Love is!, never the less fates  
Melting their merger in the way two sum  
One more the greater of the time, in Life:  
She is like!, ultra exclusive that gums  
The greater of their two adding in Life.  
and!, to die alive her eyes medals worth/  
Inq one honor in her behave, endepth!  
The way Poets per about you, in Truth!  
There is no mistaking Beautiful's strength  
Shines; and is shone! — warm like the Sun blesses  
More the greater of time — she is no less — Wm. IRVING
