Hello Icon. ☺ Thanks for the "Bravo", and sorry I've taken so long to acknowledge it. I like the 2 piggy drawings you referred to ("Consent of the Governed", February 19, 2023; and "Due Process", December 14, 2019). ~~Wow~~ Glad you noticed them! Seems like no one else ever saw them. As for sharing more, well... first I'd have to MAKE more! I really don't do visual art too often. That said, I do have one piece, the same as in my post ("The Taking..." Dec. ~~12~~ 12th, 2019) which was recently included in ^a prison abolitionist art exhibit at U.C. Santa Cruz. Pretty proud of that! * Has anyone seen that comic/post?? Please tell me what you think! -D
