

Birthday Wishes To My Daughter

Have a Happy Birthday Baby Girl and remember to respect your elders - life is not always a bowl of cherries - we need to appreciate the good when it presents itself - just because your brother is a dumb ass doesn't mean you have to be one too I'm smiling - since I know you are reading this B-)) and your dumb ass brother ain't - smile - being book smart doesn't make you sophisticated especially when you don't know the definition of the word (Compassion) A dumb ass is too smart to figure that out ! Okay - I'm preaching and we will see if you wise up - you always wished you had a father - I always wished to be able to be your father and here we are - wishes in one hand and shit in the other - it's your choice Baby Girl - you can be a dumb ass like your brother or appreciate the love of your biological father you wished for ... Smile - B-)) We are telling our story and I hope we can make it turn out good - as we explore the meaning of compassion ... I love you - your Father xoxo
