

Being Me With My Daughter

Good Morning Baby Girl,

So why are you upset with me ? .Come on - no need to be shy ... Get it off your chest and tell Daddy what's wrong ! I've missed having you In my life and you not talking to me isn't right
Rosie : it shows that lack of discipline and amounts to disrespect - I find it hard to believe you don't comprehend - its a new day - do you really hate me ??? Do you really lack compassion ? You really think you were the only one hurt by our separation ? We can't change the past Rosie, but we do have control of the here and now - so why the negativity ??? .What are you telling John and Rachel ? Think about what I am trying to convey to you - we are telling a story right now - our characters are being judged - I'm sorry, I wasn't in your life like I should have been, but I'm here now and you are still my child - I am still your parent - you may not like that fact, but it is the way it is - so why are you following in your brothers footsteps after opening your door to me ??? He isn't man enough to open his door - why ? His character is being judged too ... And from my point of view - he is painting a sad reflection of himself - being a coward - unable to confront me man to man - why ? Who is he blaming for the separation between him and I ?
Father and son ...

Alright - smile - I love you and always have even though I sadly wasn't there physically for you and Mike - doesn't mean my spirit wasn't ... Your Father xoxo
