"FDC OR ETERNAL SALVATION"

By Ronald W. Clark Jr.

A lot of our officer are not only Christians, but Deacons, Ministers and, youth ministers. Yet these men who are suppose to have the values taught by their lord and savior, have the values of the devil himself. I have no idea how they justify their actions and conduct that is anything but loving, merciful compassionate and forgiving. I've watched these officer's in their prayer circles, leave and do some of the most despicably underhanded evil things. And yet they claimed to be saved, they go to their churches and put up this fraudulent front of being holier than thou!

For instance Minister Stokes, a co here at UCI, in May 2012 lied, falsified a state document set me up with a disciplinary report saying he found smoking tobacco in my cell which placed me on disciplinary confinement for 30 days. He got his Sgt strips for doing that. In 2014-15 he's the Sgt in the visiting park, he comes over and talks with my mom and I all the time. I held no ill will, cause I know he did what they told him to do. But he told my mom as we were standing there talking, that it was a set up. He wasn't even on the floor I was on, there was a black officer up there, and I wish I knew his name, but he refused to go to my cell and set me up, and told me straight up when I asked him, stating, "I wasn't going to do that." Yet Stokes a minister took them up on their offer, and come up stairs and falsified a state document, lying under oath and committing a crime breaking State and Federal Law and basically telling Christ, damn what you say, my God is the Warden! I obey him before I'll follow you! I'll follow deception, lie, steal, cheat and violate all aspects of the Law, my law enforcement oath to uphold the laws of this land and U.S. Constitution, and my ministry vows and put the FDC first!!! Put despicable, underhanded lying deceitful individual human beings before God!!

If they truly believed what they were hearing and teaching every Sunday in Church, the last thing they would do.. is come in here breaking the Commandments of thou shall not lie and give false testimony against your neighbor. My mom hated Sgt Stokes after that. Cause she seen what a slim ball he was, yes another man playing the Christian roll. And she still remembers the day he told her that. Its record in a phone conversation we had a few months back, I wasn't sure she would remember it, and as I was about to bring it up, she went to talking about it.

This type of man is still inside these prison's doing the wrong thing. I was speaking with an officer who I thought had some integrity, when he said sometimes I do the wrong thing, in order for it to be the right thing. Or something to that effect. I tried to explain biblical text to him. Where Jesus said, "If you love me, you will obey my words and commandments and abide in me." But yet this officer who I like and get along with, would rather put this job first. Blows my mind! I had another officer always telling me about his faith and doing the right thing. These officer's don't like him, one day he's talking with another inmate, that inmate says to him, you want me to get mental health staff for you? The officer then panics, writes a fraudulent disciplinary report in order to cover his self, in the event that inmate told mental health. And this man claims to be a Christian! We've got Deacons who are setting inmates up with shanks. So called Christians, men of God jumping on inmates beating them up, destroying and stealing property, because they hate an inmate for his crime or because the inmate files grievances and tries to bring

positive change! Yes these fraudulent men of God, who disregard everything that Jesus said and taught, want the love mercy and compassion that they so desperately pray for in Christ name, refuses to show other's what they so desperately seek! Isn't it written, in the same manner you judge and do to other's, is the same manner that you will be judged with and will be shown to you?

Hebrew's 10:26-31

10:26 For if we sin wilfully after that we have received the knowledge of the truth, there remaineth NO MORE SACRIFICE FOR SINS, 10:27 But a certain fearful looking for of judgment and fiery indignation, which shall devour the adversaries. 10:28 He that despised Moses' law died without mercy under two or three witnesses: 10:29 Of how much sorer punishment, suppose ye, shall he be thought worthy, who hath TRODDEN UNDER FOOT THE SON OF GOD, and hath counted THE BLOOD OF THE COVENANT, WHEREWITH HE WAS SANCTIFIED AN UNHOLY THING, and hath done despite unto the Spirit of grace? 10:30 For we know him that hath said, Vengeance belongeth unto me, I will recompense, saith the Lord. And again, The Lord shall judge his people. 10:31 It is a fearful thing to fall into the hands of the living God.

What do we take from this? That if you deliberately keep on sinning, after you have received the knowledge of the truth, trampling the blood of Christ under foot, treating it as an unholy thing, then there will remain "NO SACRIFICE FOR YOUR SIN'S," but only a fearful expectation of judgement, of the eternal flames that will consume the enemies of God!

Its not for me to judge, who am I to say who goes to heaven or hell. For it is God who said, "I shall have mercy on whom I have mercy, and compassion on whom I have compassion." But these men of the cloth, Preachers, Deacons Sunday School Teachers and those who say they are followers of Christ, well they need to think about this text, this essay before doing slimy underhanded, ungodly things such as lying against their fellow man. You either stand with God, or you stand with this slimy godless Florida Department of Corrections! Is this job, this department worth your eternal salvation? Think about that before you plant another shank or any contraband in the cells of these inmate's, think about salvation not this job. God bless.
