

Ciao, Alberto! Very happy to hear from you again. Do you send comments to many other bloggers on here, too? Do ~~you~~ they write back to you? I wish more people would comment, especially to some of the other prisoners who may not get as many responses as I do. It's such a blessing and really makes our day when that Between the Bars envelope shows up to tell us people out there ARE reading our posts! It just feels great to know you care, you're interested, and that Between the Bars will go that extra mile to help us connect with the world. Believe me, Alberto, we on the inside APPRECIATE all of you! ☺

Grazie mille per la informazioni su Siena, e soprattutto sul Palio. Com'è?
Mi piacerebbe davvero poter condividere della foto qui. ☺

Ah, è giusto perché tu lo sappia, per questa parte ho avuto un piccolo aiuto! Non sarai mai riuscita a scrivere così bene in Italiano da sola!

A presto e abbe cura ~~di te~~ ^{di te}.

* Your writing/translation in Italian is a big help to me, grazie mille!! ☺
