Subject: Political Corruption and the Staff and Inmate Abuse in the Florida Dept of Corrections

The FDOC is blatantly violating State and Federal Law threatening staff and beating and abusing inmates and doesn't seem to give a damn who knows. I don't get it at all! Why is this being allowed? I guess its due to this entire country specifically the Republican party being upside down! A convicted felon for President who's running ramped bullying Republican's like you. Yes bullying the entire Republican Party, to where people like you, once stood on a moral foundation, has lost their compass for honor, integrity and ethical standards! A party that once stood for "LAW AND ORDER," stands in the face of disorder!

The FDOC is representing this same lawless disorder, that your allowing these two unethical men, Trump and DeSantis, to instilling into the United States of America, one Nation under "SATANIC influence?" With lost Liberties and fraudulent Justice that is lost in cowardice, because we've turned into a nation of cowards! Afraid to speak the truth! Afraid to stand up and say NO, I will do, "THE RIGHT THING," and face my God, my creator knowing I stood up against wrong, and sacrificed everything to do what's in the best interest of placing my country, my party and fellow Americans and God first, and put the Country back on the path of moral, ethical and lawful righteousness! Cause God knows this President isn't Making America Great Again! He's turned this country upside down, destroying it for the financial gain of the 1%, and has turned this Country into a laughingstock for the entire world to mock and joke about! So its no wonder I can't get you, my Senators and House Rep's, to come in here, and fix the corrupt broken Florida Department of Corrections, when you have your hands full trying to pacify and keep your incumbents, and not be bullied by this crooked President, and Governor in order to keep a political seat, and stay in public office! Is that seat so important that you would sell your honor, integrity, ethics and moral soul and eternal salvation for?!!! I say NO! Supported by Trump, supported by DeSantis, yes and supported by none other than Satan his self!! If you can't see the inherent evilness these men have instilled into the Republican party, and I

reiterate, "A PARTY THAT ONCE STOOD FOR LAW AND ORDER, BUT NOW STANDS FOR DISORDER, DISCOURSE, AND DISRESPECT OF THE UNITED STATES CONSTITUTION AND THE MORALS WITHIN IN IT!" What has become of us, that we gave this Nation over to immoral unethical men that has to be guided by demonic beings? I say take back your country, take back your party, take back your ethical standards and say no to that which is wrong! Seek truth, Justice and honor! I'm not telling you what I think you want to hear, I'm telling you what you need to hear. And this is coming from a death row inmate, who DeSantis may take offense to, and try to murder me under the mantel of justice, to silence me. If he does, I encourage you to just go over and look at the destroyed physical evidence that would have exonerated me. Look at the perjured testimony that got this wrongful conviction. Look at the plead deal I turned down, but had I taken would have made me eligible to walk out these doors 11 years ago. Look at how Judge David C. Wiggins, Judge Lance Day and Judge Henry Davis sabotaged my appeals in order to keep the clothing, "EXCULPATORY EVIDENCE," out of Court evidence. Just look at it all over at: <http://fcadpinfo.wixsite.com/fcadp/ronald?lang=en>

You can't turn a blind eye to the injustice that took place in my case, without being complicit to it. Just as you can't turn a blind eye to the immoral unethical, disgusting conduct of Donald Trump and Ron DeSantis who have hijacked the Republican party and taken it down the path of immoral destruction without being complicit to ungodly standards!

I need you to stand for what's Right in your party, and stand not only against the corruption within the party, but the corruption within the FDOC. We need to turn this Republican party around, and turn the FDOC around. Constitutional Rights are being violated in here. Officer's are being threatened into violating State and Federal Law's by other officers. Criminal Acts are being committed within the criminal justice system, by individuals who are suppose to be here to uphold the law. And Kenneth Sumpter our Inspector General, is complicit in these unlawful criminal acts by turning a blind eye, and deaf ear, to these illegal acts. If your willing to meet with me, I will give you dates and names of officer's and inmates who have had their constitutional rights violated by this Administration. And I will take a polygraph exam to show you, that my testimony is the truth and nothing but the truth so help me God. Please do the right thing. God bless you.

Respectfully and Regretfully Submitted in the name of truth justice and the American Way.

PS I would also like to encourage you to join Conservatives Against the Death Penalty. For a deeper insight into these Florida executions please visit: www.abolitionflorida.org/tool-kit and listen to me read "A Date With Death," a step by step process of the murder, committed under the mantel of Justice, for political gain. And remember preserving life is the root of all good, that of God and righteousness, and the taking of life is the root of all evilness and pure wickedness. Please allow me to give you the insight that you may not otherwise see. God bless.
