

Jim obsessed, w/ being obsessed.

10.20.21
"Obsession" is a really good cologne. I saw

the commercial for "Obsession" the movie; that

shit looked dumb as hell.

Nobody is confusing Church + State w/ "Faith + Politics". I just listened to an interview of

J. Talarico on NPR; that dude is a MORON.

If Talarico gets elected 2 da Senate, the Senate will be 10 points dumber.
